

A NEW SIMIAN MALARIA PARASITE FROM CEYLON

The text of the document WHO/MaL/522 "P. simiovale sp.nov. a new simian malaria parasite from Ceylon" by A. S. Dissanaiké, P. Nelson and P. C. C. Garnham is based on the original article under the same title and authorship (but provided with a colour plate) published in the Ceylon Journal of Medical Science, 1965, volume 14, No. 2, pages 27-32.
