

WHA4.25 Medical Supplies for Member Governments

The Fourth World Health Assembly,
Having considered the recommendations of the Director-General on the programme and budget
for 1952,²³

REQUESTS the Executive Board to re-examine the feasibility of providing further services in connexion with medical supplies to governments on request.

*(Third report of the Committee on Programme,
adopted at the eleventh plenary meeting, 25 May 1951)*

[A4/R/81]
