

EB7.R26 Biennial Health Assemblies

The Executive Board,

Noting that the Third World Health Assembly requested the Director-General to study the arrangements necessary for implementing the principle of biennial Health Assemblies ;¹⁷

Considering that further study of the problem involved is required by the Director-General and the Executive Board,

AUTHORIZES the Director-General to report to the Fourth World Health Assembly that, in the opinion of the Executive Board, this study should be continued and a report made to the Fifth World Health Assembly.

(Adopted at the ninth meeting, 29 January 1951)
