

EB9.R60 Assessment of Japan for 1953 and Future Years

The Executive Board,

Having studied the question of the assessment of the Government of Japan for 1953 and future years, in accordance with the request of the Fourth World Health Assembly;⁴²

Considering that, since the peace treaty has not yet come into force, it is not at this time possible to develop an informed recommendation for presentation to the Fifth World Health Assembly,

DECIDES to refer the question to the Fifth World Health Assembly for consideration and decision.

(Twentieth meeting, 2 February 1952)
