The Executive Board

1. NOTES the fifth report of the Expert Committee on Malaria;
2. THANKS the members of the committee for their work;
3. REQUESTS the Director-General to give special attention to the recommendations of the committee, and to their implementation within budgetary limits; and
4. AUTHORIZES publication of the report.

Handb. Res., 2nd ed., 1.3.10

(Second meeting, 12 January 1954)
