

**EB19.R43      Decisions of United Nations Organs and Specialized Agencies**

The Executive Board,

Considering that the General Assembly of the United Nations was still in session at the time of the nineteenth session of the Executive Board, and that all its decisions were therefore not available,

1. NOTES the report of the Director-General on decisions of the United Nations organs and specialized agencies which relate to the activities of WHO,<sup>1</sup> and which had been taken at the time of the nineteenth session of the Executive Board ; and
2. REQUESTS the Director-General to submit a further report to the Tenth World Health Assembly and to the Executive Board at its twentieth session on any further decisions of the General Assembly of the United Nations relating to the activities of WHO.
