

**EB51.R11      Contribution of China for 1973**

The Executive Board,

Having considered the report of the Director-General on the contribution of the People's Republic of China for 1973;

Noting that under Financial Regulation 5.6 any payments received from a Member whose contributions are in arrears would first have to be credited to such arrears,

1. AUTHORIZES the Director-General temporarily to credit payments received from the People's Republic of China in respect of its 1973 assessment to budgetary income for 1973, pending a formal decision by the Twenty-sixth World Health Assembly to waive the application of Financial Regulation 5.6; and
2. RECOMMENDS to the Twenty-sixth World Health Assembly the adoption of the following resolution:
  - “ The Twenty-sixth World Health Assembly,
  - “ Having considered the report of the Director-General on the contribution of the People's Republic of China for 1973 and the Executive Board's action thereon; and
  - “ Recalling resolution WHA25.46 of the Twenty-fifth World Health Assembly,
  - “ DECIDES that, notwithstanding the provisions of Financial Regulation 5.6, the contribution of the People's Republic of China for 1973 shall be credited to budgetary income for that year.”
