

**EB55.R2**      **Report on expert committee meetings**

The Executive Board,

Having considered the report of the Director-General on the following expert committee meetings:

- (1) Expert Committee on Fish and Shellfish Hygiene, convened in cooperation with FAO; <sup>1</sup>
- (2) Expert Committee on Drug Dependence, twentieth report; <sup>2</sup>
- (3) Expert Committee on Health Aspects of Environmental Pollution Control (Planning and Implementation of National Programmes); <sup>3</sup>
- (4) Expert Committee on Malaria, sixteenth report; <sup>4</sup>

(5) 1973 Joint Meeting of the FAO Working Party of Experts on Pesticide Residues and the WHO Expert Committee on Pesticide Residues; <sup>1</sup>

(6) Expert Committee on Tuberculosis, ninth report; <sup>2</sup>

(7) Joint FAO/WHO Expert Committee on Food Additives (Evaluation of Certain Food Additives), eighteenth report; <sup>3</sup>

(8) Expert Committee on Community Health Nursing; <sup>4</sup>

(9) Expert Committee on Health Statistics (Ninth Revision of the International Classification of Diseases),

1. NOTES the report;

2. THANKS those members of expert advisory panels who have taken part in these meetings for their valuable contribution to the study of matters of great importance for WHO; and

3. REQUESTS the Director-General to take into account the discussions in the Board when preparing future reports on expert committee meetings.
