The Director-General of the World Health Organization (WHO) presents her compliments to Member States and Associate Members and has the honour to attach the draft provisional agenda for the 136th session of the Executive Board to be held from 26 January to 3 February 2015.

Any proposal from a Member State or Associate Member to include an item on the agenda should reach the Director-General not later than 12 weeks after circulation of the draft provisional agenda or 10 weeks before the commencement of the session of the Executive Board whichever is earlier. Proposals should therefore reach the Director-General by 5 September 2014.

The Director-General draws to the attention of Member States and Associate Members the criteria endorsed by the Board for inclusion of proposed additional items, namely, proposals that address a global public-health issue, or involve a new subject within the scope of WHO, or represent a significant public-health burden. Furthermore, in accordance with Rule 9 of the Rules of Procedure of the Executive Board, as amended by the Board at its 122nd session (EB122.R8), “... any proposal for inclusion on the agenda of any item under (c), (d), (e) and (f) above shall be accompanied by an explanatory memorandum ...”.

Following receipt of proposals, the Director-General will draw up the provisional agenda in consultation with Officers of the Executive Board. The provisional agenda will be annotated and will explain any recommendations made regarding the deferral or exclusion of proposals. It will be dispatched to Member States with the letter of convocation no later than eight weeks before commencement of the 136th session of the Executive Board.

The Director-General takes this opportunity to renew to Member States and Associate Members the assurance of her highest consideration.
